Instructor: Ms. Nida Khalil

Description:

During this four week introduction to the world of mosaic art, students will enjoy a fun and inspiring class where they can explore the many possibilities of mosaic art. Ms. Khalil will teach students how to work with several different materials and basic tile cutting techniques. Students will have the opportunity to choose from a variety of colors and tiles to create their own unique mosaic art piece to take home!

Please wear clothing that you don't mind getting damaged or bring an apron with you.

No prior art or mosaic experience necessary!
